MYSTIQUE COLLECTION

MYSTIQUE is Enigmatic — Glamorous —
Romantic — Alluring — Magnetic

MYSTIQUE fulfills our promise to continue to design garments that make every dancer feel that magical quality which exists only when they are dancing. This enthralling sense can only be known by those who also strive for the same excellence.

Hearing the word MYSTIQUE evokes images of ethereal beauty. This year we have put together yet another stunning collection of garments with something for everyone. Between our pretty floral prints and our fantastic solid colors, our designers have created a delicate palette of feminine hues along with striking contrasts in our two-tone grouping.

Combined with our unique silhouettes, everyone will fall in love with all of these fashion forward styles. For in reality, who could possibly pick just one? Experience MYSTIQUE to capture this provocative emotion for yourself.

CONCENTRATE ON THE MAIN THING

WE CAREFULLY CONTROL OUR PRODUCTION TO MAKE YOUR GARMENT FEEL LIKE SECOND SKIN – BECAUSE WHEN YOU FEEL COMFORTABLE, YOU CAN CONCENTRATE ON THE MAIN THING – DANCE.

The best Italian
polyamide micro
only

The supplier of the fabrics we use has a certificate, approving its quality.

STANDARD 100 by **OEKO-TEX®** is one of the world's best-known labels for textiles tested for harmful substances. It stands for customer confidence and high product safety.

If a textile article carries the **STANDARD 100** label, you can be certain that every thread has been tested for harmful substances and that the article, therefore, is harmless for human health.

MATERIAL FEATURES OF GRISHKO® GARMENTS

We source the best existing high-tech and soft materials available for sports-wear that guarantee comfort during any movements.

Super soft like a peach brushed microfiber makes our garments feel like second skin.

Polyamide micro — hi-tech breathable material.

Easily absorbs moisture and looks good even when it's a bit daMP.

Fast-drying and breathable, thus extremely comfortable.

UPF 50+ allows one to wear the garment during outdoor classes without worry.

Special bi-stretch technology helps you to feel free during stretching and active exercises.

Keeps its form and doesn't lose shape after multiple washings.

Fade resistant. Colors remain bright after a large number of washes.

CAREFUL PRODUCTION FOR YOUR CONFIDENCE

We use three different types of thread to answer stretching properties of the materials.

We pay attention to the end of each seam by securing it. This guarantees longer lifespan for your garment.

LINING

All our leotards are fully front lined to give dancers confidence that nothing is visible from under the garment.

Beige lining for color leotards.

White — for white leotards.

Black — for black leotards.

POCKETS FOR CUPS

Some ballerinas prefer using cups, while others — don't. We made pockets, so there's always the possibility of changing cups, adding them, or removing them when needed. Please, note: we do not sell bra cups so you will need to buy them separately.
